

# Terminator CARPET EXTRACTOR

# Terminator

## OVERVIEW

When you want a compact carpet extraction machine specifically designed for smaller areas and upholstery, you can rely on Polivac's decade of experience in carpet extraction technology.

The terminator is a portable and compact carpet extraction machine that fits into the back of most station wagons. Ideal for small scale carpet cleaning and flood recovery.

All-Australian designed and built. Parts available all over Australia with over 120 distributors. Warranty – 1 year on motor and parts. 3 years on body.

## BENEFITS & FEATURES

### CLEAR DOME - A POWERFUL DEMONSTRATION OF TERMINATOR'S EXTRACTION POWER

Get a clear picture of the solution pickup ...and all the grit and grime being removed. Perfect for showing Clients how thoroughly their carpet is being cleaned.

### FIBREGLASS BODY AND ALUMINIUM FRAME – ULTRA STRONG, LIGHTWEIGHT

Rounded design 'Euro-style' fibreglass body ensures reduced risk of damage to furniture and fittings. Durability 'plus' with Terminator's aluminium frame.
