AUTOMOTIVE

AUTO REVIVE

Auto Revive is designed as a conditioner for vinyl, leather and rubber surfaces. It is suitable for dashboards, trims, tyres and more.

Auto Revive can also be used as a polish and conditioner for timber, plastic laminated surfaces, glass, vinyl, leather, rubber and enamel painted areas.

FEATURES & BENEFITS

- Contains a complex blend of the finest quality polymers, surfactants and silicones.
- Produces a deep long lasting shine for a visibly improved protective finish.
- Specifically formulated to meet the demands of the professional detailer.
- Improves results and reduces processing time.

DIRECTIONS FOR USE

Use undiluted in a spray bottle direct to surface. Spray a light even mist over the surface, and buff to a shine with a clean soft cloth.

Do NOT allow AUTO REVIVE to dry before buffing. Apply regularly to maintain protection and appearance.
