(MF-057-2) Aluminium Flat Mop Head

The versatile Ultimate DX1 is specially designed to cater to a variety of floor types and can also effectively clean walls or ceilings. Its white color enables you to easily identify any accumulated dirt or grime post-cleaning, thus ensuring optimal results. Additionally, the built-in scrapers help enhance the mechanical effect, making it effortless to remove stubborn dirt and stains.

PRODUCT PROPERTIES AND APPLICATION

- Versatile microfibre mop can be used on a variety of floor types and clean walls or ceilings
- The front scrapers help remove stubborn dirt while the 100% microfibre rear holds and absorbs dirt
- Reusable up to 350 washes
- Use with 40cm Velcro Mop Frame
- Predosing Recommendation: Use 1.3L of water or solution for 10pcs. Adjust dosing solution as required

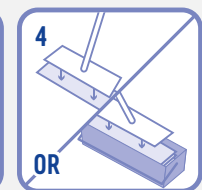

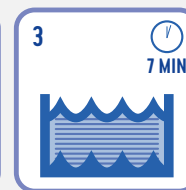

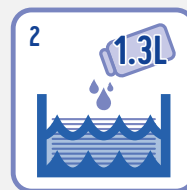

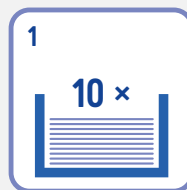

25 M² FLOOR COVERAGE

Figure 8 mopping technique is recommended to achieve best results and maximum floor coverage while using Ultimate DX1 Mop Pad in conjunction with an Oates® Aluminium Flat Mop Head & Handle.

PAD PREPARATION

Dosing with 120-140ml per mop of cleaning solution for 7 minutes.
