

SUPERBOWL

TOILET BOWL CLEANER

BENEFITS:

- Effectively and easily removes soils and stains
- Removes rust, scale and algae growth
- Available in various pack sizes

SUPERBOWL can easily and quickly remove a number of different soils and stains from toilets and urinals including rust, scale, hard to remove toilet stains and algae growth. SUPERBOWL has been specifically designed to efficiently clean toilet bowls, including the rim, bowl and seat. Another fantastic function of SUPERBOWL is the fact that it can also effectively clean urinals. The colour of SUPERBOWL is a bright turquoise and the fragrance is light and refreshing. SUPERBOWL is ideally suited for all toilets and urinals including systems operating on septic tanks. SUPERBOWL is packed in 5 litre and 1 litre bottles.

DIRECTIONS FOR USE:

Toilet Bowls:

Press cap of container, insert bottle and squeeze to direct Superbowl into the bowl beneath the rim. Using a toilet brush, scrub all areas of the toilet bowl with SUPERBOWL solution making sure that the area beneath the rim is thoroughly cleaned. Swab toilet seat with SUPERBOWL solution and wipe dry with a soft cloth or toilet tissue.

Urinals:

Squeeze bottle to cover entire urinal area with SUPERBOWL and scrub with toilet brush. Immediately after scrubbing flush generously with water.

12x1 Litre

HEALTH AND SAFETY STATEMENT:

There is no way of predicting an individual's response to cleaning or disinfecting products. All cleaning and disinfecting products have potential to cause skin and other irritation in susceptible individuals. Direct physical contact with the skin should be avoided. If irritation does occur when using this product or any other cleaning/disinfecting solution then the individual should be removed from direct contact with the solution until a satisfactory safe working environment for that individual is determined.

ENVIRONMENTAL STATEMENT:

Whiteley manufactures products that comply with Australian and International environmental policies Whiteley aims to ensure that every product is 100% biodegradable, whilst achieving optimal performance and benefit to customers. All Whiteley products are supplied in 100% recyclable containers. Whiteley and its staff are fully committed to ensuring that our Australian environment and those international environs in which our products are used are enhanced by the use of technology, and that these environments are preserved for the enjoyment of future generations.
